

Pesticide Notification Registry for NHJ

At least 48 hours prior to a pesticide application, NHJ will provide planned pesticide application details to parents, guardians, and staff members requesting to be notified. Parents, guardians and staff must be registered with the school to receive such advance notice.

The following will be part of the notice provided to those on the registry:

- a) Name or address of school;
- b) Contact information for more details (name, license #, telephone #);
- c) Anticipated date & time of pesticide application;
- d) Pest(s) being targeted (i.e. weeds, bedbugs, fleas, roaches, ants...);
- e) Description of application area (i.e. football field, fence lines, kitchen...);
- f) Pesticide(s) to be used (brand name, EPA, reg. no. & manufacturer); and
- g) Explanation if 48 hour advance notice is not provided as required.

Advance notice is not required for the following pesticide applications:

- a) Disinfectants, germicides, sanitizers, swimming pool chemicals, gel or paste bait insecticides, manufactured enclosed insecticide stations; & self-applied insect repellents;
- b) Immediate student health threat situations (i.e. stinging wasps & bees);
- c) Areas completely away from student-occupied buildings & areas; and
- d) Those made more than 48 hours before a scheduled school day.

If you wish to be placed on the email list for this registry, contact Jared Sneed, Director of Facilities) at jsneed@nhj.k12.in.us.

NHJ will have a pesticide application calendar on our website with scheduled applications. This can be found in the Facilities menu on the Indian Creek School's website.
