STUDENT PAYMENTS

All payments sent to the school should be by check whenever possible. We cannot accept checks that combine textbook rental, meals, insurance, pictures, etc. Please make separate textbook rental and meal checks payable to NHJ. Make all other school checks payable to Indian Creek Intermediate School or as specified on the order form. You may combine on one check all of your NHJ Indian Creek students' book rental and on a separate check all of your NHJ Indian Creek students' meal money. Be sure to indicate on these checks or envelopes how much money is to be applied to each student's account. You may also pay with a credit card on the Infinite Campus parent portal. Instructions are provided on the website.

TEXTBOOK RENTAL

Grades 3, 4, and 5 textbook rental statements will be available at Returning Students' Registration. Your child's textbook rental may be paid by cash or check at any of the schools. You may use a credit card on the Infinite Campus parent portal. Instructions are provided on the website.

SCHOOL MEALS

All students are encouraged to eat nutritious meals that are served daily in our cafeteria. Breakfast is available at 8:00 a.m. It is strongly encouraged that the parent/guardian make meal payments in advance. Money should be sent to school in a sealed envelope. Please write on the envelope the name of the child, the amount, and their grade. A check is the best form of payment. Lunch and breakfast are payable on Monday or the first day of the school week. We do prefer that all students pay for their meals on Monday. Payments may be made for the day, the week, the month, or more. Breakfast and lunch prices are listed in the NHJ Corporation Handbook which is posted on the NHJ Website.

Milk is available for purchase for students wanting an extra milk on their meal tray or who are bringing a sack lunch. The same good behavior and good manners are expected in the cafeteria as are expected in the classroom. Quiet talk to students sitting close is permitted. Students are required to sit at tables assigned by the supervisor.

We strongly discourage meal charges, but we understand that an occasional emergency makes it necessary at the intermediate level. The ICIS policy is as follows:

- Students may not charge more than \$11.75.
- Parents will be notified and be asked for prompt payment.
- All charges must be paid within five (5) days of notification.
- No meal charges will be allowed during the last four (4) weeks of school.

Your student's account activity is available online through Infinite Campus parent portal or call (317) 878-2169 to request your student's account activity report. See the NHJ Corporation Handbook for parent portal access details.

DRESS CODE

Our corporation recognizes that among the many factors affecting the successful operation of schools is the appearance of its students. It is also aware that styles and trends change. In view of these considerations, students are expected to wear apparel and have grooming habits, which are neat, clean, modest, safe, healthy, and non-distracting to the efficient operation of the schools. In instances deemed necessary by the principal, action may be taken which may include consultation, parent/guardian conference and other appropriate measures. Wearing apparel or general appearance that is distracting or interrupts the educational process is forbidden. Footwear without back straps creates safety issues for students. This includes flip-flops or open heeled shoes without straps. The principal shall have authority to determine and interpret these criteria and make recommendations accordingly.

Because clothing that may be appropriate for home may not be appropriate for school, the following examples are offered as guidelines to parents and students.

- Students shall wear clothes that appropriately cover the body. The following items are specifically not allowed: short shorts or short skirts, spaghetti strap tops (smaller than 2” width on straps), any top that exposes a child’s midsection, any top that is low-cut, as well as, pants with slits above mid-thigh.
- Students may not wear clothes with pictures or sayings about alcohol, tobacco, drugs, profanity, sexual connotations, ethnic or racial slurs/superiority, and/or violence.
- Shorts and skirts are considered too short for school if they are shorter than a child’s fingertips when resting his/her arms fully extended down his/her sides.
- Shoes shall be worn at all times. For safety reasons, flip-flops are NOT allowed.
- Make-up shall not be brought to or used at school.
- Make-up, fragrance, and hair color shall not cause a disruption to the classroom atmosphere.

GIFTS SENT TO SCHOOL

We strongly encourage parents/guardians to **not** send flowers/balloons/stuffed animals for birthday’s/holidays. It becomes an academic distraction and an interruption to the students. Children’s feelings are delicate at this age when fellow students receive exorbitant gifts and they do not have the same gift. Gifts/flower arrangements/balloons, etc. will be kept in the office and will have to be picked up by a parent/guardian because these items can not go home on the bus.

GENERAL RULES FOR STUDENTS

The following suggestions and guidelines are presented with the hope that you will have a better understanding of what we would appreciate seeing in student behavior. Our desire is to help you become the best person you can be and to give you the type of education that you will benefit from in the future. These guidelines will help us help you:

1. RESPECT for self
2. RESPECT for others
3. RESPONSIBILITY for actions

INDIAN CREEK INTERMEDIATE SCHOOL

2017-2018 STUDENT HANDBOOK

These rules allow the teacher to teach, which is necessary for effective learning by students. Rules are subject to revision, addition, or deletion throughout the year as the situation demands. Rules and regulations must be maintained for the safety and welfare of all students. School rules apply to students from the time they leave home until they return home. 16. **Bullying**

In Accordance with the provisions of IC 20-33-8-13.5, and the Nineveh-Hensley-Jackson United School Corporation Board Policy 5517.01, bullying is not permitted at Indian Creek Intermediate School. Students who commit acts of bullying are subject to discipline including, but not limited to, suspension, expulsion, arrest and/or prosecution. Bullying as defined in State law means overt, unwanted, repeated acts or gestures, including verbal or written communications transmitted (including digitally or electronically), physical acts committed, aggression, or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student and create for the targeted student an objectively hostile school environment that:

- A. Places the targeted student in reasonable fear of harm to the targeted student's person or property;
- B. Has a substantially detrimental effect on the targeted student's physical or mental health;
- C. Has the effect of substantially interfering with the targeted student's academic performance; or
- D. Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

This type of behavior is a form of harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It includes, but is not limited to, such behaviors as stalking, intimidation, menacing behavior, coercion, name-calling, taunting, making threats, and hazing.

REPORTING ACTS OF BULLYING

1. Any student who believes s/he has been or is currently the victim of bullying should immediately report the situation to the building principal, assistant principal or the Superintendent. The student also may report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.
2. Every student is encouraged, and every staff member is required, to report any situation that they believe to be bullying behavior directed toward a student. Reports may be made to those identified above.
3. All complaints about bullying behavior that may violate this policy shall be promptly investigated.
4. If the investigation finds an instance of bullying behavior has occurred, it will result in prompt and appropriate disciplinary action, up to and including expulsion for students, discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members.

INDIAN CREEK INTERMEDIATE SCHOOL

2017-2018 STUDENT HANDBOOK

5. The complainant shall be notified of the findings of the investigation and as appropriate, any remedial action that has been taken to the extent disclosure is permitted by law.

6. Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of bullying is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as bullying. Making intentionally false reports about bullying for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

Bullying at Indian Creek Intermediate (ICIS) is defined as:

Hurting someone again and again, over a period of time, with words or hurtful things you do to them. ICIS will not tolerate bullying in any form. Every student at ICIS is exposed to the Bully Free School Curriculum that explains the various types of bullying and methods that students can use to solve the problem. Students are encouraged to solve their bullying problem first with proactive techniques; if this does not work, they are to tell the nearest adult. If the problem has not been solved after these steps have been taken, the student should fill out a bully referral form. The administrator or counselor would then investigate the report and take appropriate action. The following consequences may be enacted by the building principal:

Consequences for Bullying Offenses

- a. First offense – Teacher and student conference.
 - b. Second Offense – Student conference with principal or counselor and a student improvement plan is created.
 - c. Third offense – Teacher, parent, principal, counselor, and student conference.

If these are seen in a student's possession during the school day, the administrator maintains the right to confiscate the item and follow appropriate disciplinary actions so that the learning process will not be interrupted. The school does not assume any responsibility for any item that is lost or stolen from the student's possession. Specific rules, guidelines, and policies found in the NHJ Corporation Handbook are applicable to all students. Students have a constitutional right of privacy in the contents of their cellphones which administrators may search only upon reasonable cause or suspicion to believe that the contents violate school rules, or when students voluntarily, of their own free will, waive that right and permit the search.

STUDENT REFERRALS TO THE OFFICE

5. The principal has a great deal of respect for students that tell the truth, admit their mistakes, and accept their consequences. This type of student often receives less severe consequence than the person who is dishonest, makes excuses, or blames other people.
