POP TABS

We are collecting pop tabs for Indiana Ronald McDonald house as a statewide project again this year. Our goal is to collect one million tabs. There will be a container in the office in which to deposit collected tabs. Get your friends and family and neighbors to help and we will reach our goal quickly! We will keep you informed in each newsletter of the latest count.

STUDENT PICK-UP

I would like to thank all the parents and how patient you have been with our car/pick up process. We are working on making this the safest pick up we can. If you need to get your child early, please park in the visitor parking and come to the front office. You will need to sign them out and we shall get your child. Again, thank you so much for all your help in working with the school and children.

HANDICAP PARKING SPOTS

Parents and guests, please do not park in the handicap areas by the sidewalk to run in and get a child. We have a handicap bus that arrives at 2:50 and needs to be able to pull into the spot to pick up students. If you have a handicap plate or a sign for your car, you are more than welcome to use it. Thank you for your help and cooperation with this matter.

BOOK BAGS AND LUNCH BOXES

Parents: Please label your child's book bag and lunch box with their name. We can then make sure they get back to their rightful owner if misplaced.

EARLY RELEASE

Parents: Just a reminder *EVERY* Wednesday is early release. Students are dismissed at 2 PM. If you have any questions please call the office at 317-878-2150.

PM BUS ARRANGEMENTS

Parents: if your child is to go home a different way in the afternoon **please** make sure that you either send a note to their teacher so they can then send them to the office. You may also contact the **office directly** with any changes. We ask you to do this so our OFFICE knows where your child is to go at end of the day.

BOOK RENTAL

Thank you to all those who have already paid their 2018-2019 book rental. The book rental prices for this school year are as follows:

Kindergarten \$183.96

FOOD ALLERGY UPDATE

Parents: Just a reminder that we are a food allergy aware school. Snacks or treats for your child's classroom must be store bought. NO **HOMEMADE** products are permitted. In addition, several classrooms are peanut/nut free. Please read labels before buying products. Your help with this is greatly appreciated.

Our school pictures for **ALL** students will be Tuesday, September 11. More information will be coming soon.

PARENT TIPS

Going to school each day is your child's most important job. But if your youngster misses school because of illness, what should you do? Here are three guidelines:

1. Find out about your school's absence policy. For example, you will need a doctor's note for the absence to be excused. Also, please call the school secretary to let her know your child will not be at school or send in a note to the teacher.
2. Limit your youngster's activities. Suggest quiet tasks, such as looking at a magazine or doing a puzzle. You'll help speed his recovery.
3. For absences more than a day, contact your child's teacher about missed work. That way he/she will not fall too far behind.

LOST ITEMS

The lost items are starting to accumulate already. If your child has been missing any items please have them check it may be here.
