

Indian Creek Intermediate School #FollowYourArrow

August 2018

@INDIANCREEKINT

@INDIANCREEKINT

Welcome to the 2018-2019 school year! We also extend a warm welcome to our new staff at ICIS: Amber Burton (Mental Health Advisor), Bethany Elmore (Special Education Assistant) and Amber Johnson (Special Education Assistant). We also have several staff members transitioning to new roles this year: Ali King (ICIS/ICMS Technology Integration Specialist), Michelle Wiseman (4th Grade), and Matthew Wray (4th Grade).

The 2018-2019 Student Leadership Team met in July to kick-start the school year! These 4th and 5th grade students demonstrate great leadership at ICIS, and they are excited to support our entire school throughout the coming year! The student leaders this year are as follows: Madison Bracken, Grant Dalton, Xavier Eubank, Lilly Foster, Gabie Francis, Braxton Freeman, Kendall Guernsey, Molly Jordan, Hayley Ogle, Drew Pingleton, Eli Rettig, Shelbylin Roach, Carson Robertson, Jordan Sauer, Kristen Soots, Owen Stout, Lilly Swanson, Lila Tupper, Ethan Vansickle, Grady Walker, Wyatt Wise, and Addison Woehlecke.

ICIS students will embark on their fourth year with one-to-one Chromebooks. A major focus with technology will continue to be digital citizenship. ICIS will recognize Digital Citizenship Week September 10-14th with important lessons on appropriate technology usage and decision-making presented by Miss King and Mrs. Ellis. Ultimately, ICIS students demonstrate digital citizenship with respect and responsibility.

We are excited for our students to experience STEM instruction with Mrs. Ellis for the 2nd year! Our STEM mission statement is "Students and Teachers Empowering Minds." The 1st Semester Student Appreciation event will be a STEAM Museum with hands-on exhibits on Thursday, August 23rd. This event will include an optional family night portion for students to return with their parents in the evening. We will be sending home more information very soon about how to sign-up to attend.

We will continue to celebrate our students and their positive choices with "Follow Your Arrow" PBIS program this school year. Our students will demonstrate respect for self, respect for others, and responsibility for all actions. Be on the look out for golden tickets coming home to share all of the great ways ICIS students are "caught in the act" as they model positive choices for others.

Again, welcome back to school! Enjoy the activities of fall as you return to the routines of the school year.

Wishing you well ~ Andrea L. Perry, Principal aperry@nhj.k12.in.us
