

Indian Creek Intermediate School #FollowYourArrow

OCT 2018

@INDIANCREEKINT

@INDIANCREEKINT

First and foremost, thank you to all ICIS students, families, and community members for your tremendous support of our 3rd Annual ICIS Walk-A-Thon fundraiser! Together, we raised nearly \$11,000 for ICIS students and activities! Participating students will receive brand new ICIS spirit wear for their outstanding efforts! Special thanks to our corporate donor, Jackson Oil & Solvents, Inc. We appreciate your support! Our top 6 students from the 2018 ICIS Walk-A-Thon fundraiser raised over \$1500! Way to go! An additional 27 students raised \$100 each! *** Gary Turnmire (1), Bailey Miller (2), Will Shobe (3), Tristan Eaton (4), John Cave (5), and Eli Rusher (6) ***

Our Grandparent's Night had a tremendous turnout! Thank you to all of our ICIS grandparents for your attendance and ongoing support of ICIS students! Also, a special thank you to our Trafalgar McDonald's for providing the tea and coffee for this event!

This month, ICIS students will be able to once again practice eLearning with their teachers continuing initial steps taken last year, including scheduled practice days at home last year. Tremendous opportunity exists with preparing our students K-12 for eLearning. "eLearning is learning conducted via electronic media, typically, but not necessarily, over the Internet. eLearning allows students access to educational resources and curricula outside of the traditional classroom." It is exciting to empower our students to be 'knowledge creators' rather than just "knowledge consumers."

Another exciting change for ICIS is that Chromebooks will be sent home daily with students starting on October 1st! Our students and staff have been anxiously awaiting this announcement and are ready to embrace this opportunity. A help sheet will be coming home with students to review procedures for eLearning, as well as, how to communicate with staff members on eLearning days. In addition, information will be provided on how to connect to your Wi-Fi at home. Also, please remember free Wi-Fi is available at our local McDonald's, as well as, the Trafalgar Library and Morgantown Library.

Red Ribbon Week will take place during the week following Fall Break, and we encourage all students to participate in our themed spirit days. The "life is your journey... travel drug free" theme will be highlighted throughout the week and as student's sign their red pledge stars. Be sure to check out our large Red Ribbon Week display in the cafeteria following this week! We will be sharing a link to vote for our entry in the Red Ribbon Campaign photo contest - Life is your journey... travel drug free! Voting will be available online between November 2nd-November 16th. (redribbon.org/vote) We appreciate your support!

Enjoy the beautiful fall days ahead!

Wishing you well ~ Andrea L. Perry, Principal aperry@nhj.k12.in.us

NHJ Schools offer breakfast every morning to all students...

Research has shown that starting the day with a nutritious breakfast helps students stay alert and perform better in school. Breakfast is offered each morning to all students at all schools the beginning of the school day. Students may get a breakfast as soon as they arrive at school.

The price for breakfast is \$1.40 at the elementary and intermediate schools and is \$1.45 at the middle and high schools. The reduced breakfast price is \$.30. Breakfast includes milk, a fruit or vegetable or juice, a grain and/or a protein.

If your child is eligible for free or reduced priced lunch, he/she is eligible for free or reduced priced breakfast as well.

Holiday Help

Several area churches and businesses contact our schools each year to obtain names of families who would like assistance during the holidays. If you are in need of assistance, please contact the school nurse. All requests are kept confidential.
