POP TABS

We have collected 105,777 pop tabs since our first newsletter, **Great Job!** Our goal is to collect one million tabs. The container is at the ICES office in which to deposit collected tabs. Get your friends and family to help and we will reach our goal quickly. We will keep you informed each newsletter of the latest count. Keep up the good work and keep bringing those

tabs so we may collect one million tabs this school year for Ronald's House.

EXERCISE FOR EDUCATION

The Ex. 4 Ed. fundraiser was such a great success. Thank you children, parents, relatives, and friends. The students met their goal of \$10,000.00 by raising \$10,833.37. What an awesome job by a bunch of great students.

The boys and girls will be treated to a Rock Star (me) singing from the rooftop of the elementary on Wednesday, October 10th at 10:00 AM. You are more than welcome to join us but please do not park in front of the school. The students will be standing in the driveway in front of the school. If the weather does not cooperate, the music will be performed in the gym.

EARLY RELEASE

Parents, just a reminder **EVERY** Wednesday is early release. Students are dismissed at 2 PM. If you have any questions please call the office at 317-878-2150.

LUNCHROOM CHARGES

If you have received a notice for lunchroom charges, please take care of these as soon as possible. Your help with this is greatly appreciated.

PARENT TIPS

Raising Respectful Children:

When your youngster hears the word "respect," What does she think of? Explain that by being considerate of others' feelings, letting people know she appreciates them, or taking care of belongings, she is showing respect. Point out that there are different types of respect-for ourselves, for others, for property, and for the environment. Then, try these ideas to help your child understand and practice all kinds of respect.

FOOD ALLERGY UPDATE

Parents: just a reminder that we are a food allergy aware school. Snacks or treats for your child's classroom must be store bought. **NO HOMEMADE** products are permitted. In addition, several classrooms are peanut/nut free. Please read labels before buying products. Your help with this is greatly appreciated.

CHARACTER COUNTS

October is **RESPONSIBILITY** month at ICES! Responsibility means doing what we are supposed to do. At, ICES, we recite our Indian Creek Creed every morning: Today I will do my best. I will come to school to learn and grow. I will treat others the way I want to be treated. I will be honest and fair and set a good example. I will believe in myself for I am **RESPONSIBLE** for my own success! Please talk with your child about our Indian Creek Creed, and discuss ways your child can be responsible at home, school, and in the community. Lead by example; show them some of your responsibilities at home or at your job.

We still have several lost items here at school. Please check and see if your child is missing any items so we can get them back to their rightful owner.
