DEC 2018

@INDIANCREEKINT

@INDIANCREEKINT

Welcome back from Thanksgiving Break! I hope you all had a wonderful break with the opportunity to relax and spend time with family and friends!

In November, ICIS celebrated Veterans Day with a wonderful program. Special thanks to Mr. Dowell and the 5th grade choir for all of their hard work to prepare for this event! Also, kudos to our 5th grade essay winners from each classroom - Jaxon Ramey, Ella Sprong, Isaac Spurgeon, and Adrianna Williams - who all did a fantastic job reading their Veterans Day essays! Also, special thanks to Lahni Weisbrod for her creativity and hard work to design the cover for the 2018 Veterans Day program!

November also brought our first live eLearning day at NHJ. We are extremely proud of our students for their hard work and commitment with eLearning expectations. ICIS recorded tremendous attendance (98%) for the day as students completed their respective task list! Well done! Thank you parents for your support!

The ICIS Mile Club had a very successful first semester, and they have been on the move, accumulating a total of 1,218 miles! Also, three students are leading the pack: 4th Grader, Greyson Greene with 47.5 miles, 3rd Grader, Isaac Smith with 47.25 miles, and 3rd Grader, Riley Roberson with 46.25 miles! Way to go! Special thanks to Mrs. Zachery for always encouraging our students to be healthy and physically active!

4th and 5th grade students demonstrated tremendous interest in MATH Bowl with nearly 100 students taking the skill test. Congratulations to the following students who qualified for our MATH Bowl team this year: Donovan Boner, Alec Burress, John Cave, Greyson Greene, Kendra Robertson, Josie Rogowski, Jack Rominger, Trevor Scroggins, Casey Seitzinger, Ethan Vansickle, Calvin Weber, and Caleb Zupancic! They will work with Mrs. Knapp and Mrs. Griffis to prepare to represent ICIS on February 21st at the district competition! Good Luck!

In December, ICIS will be collecting canned goods for our annual canned food drive. Each student and staff member is challenged to bring in 10 cans each to help our grand total GROW with the potential of over 4,000 items to donate locally in our community! We will celebrate our canned food drive with a pie in the face celebration at the end of the month! The student from each classroom with the greatest total donated will participate. Also, the top class in each grade level will earn a popcorn party!

Wishing you well ~ Andrea L. Perry, Principal aperry@nhj.k12.in.us

Computer Science Education Week

bitsbox
monthly coding
projects for kids

<https://bitsbox.com/>

Bitsbox is the gift of coding.

- ** A new coding concept every month
- ** Perfect for curious kids 6 to 12 years old
- ** Kids' apps work on real phones and tablets
- ** Unlimited email help with any subscription
- ** Free separate coding accounts for siblings

TYNKER™
CODING FOR KIDS

<https://www.tynker.com/>

Tynker empowers kids to become makers.

- ** 7 beginner courses
- ** 100+ guided tutorials to build projects
- ** Stunt Pilot - Drone programming course
- ** WeDo Coding - Lego programming course
- ** Minecraft Modding course (Pocket Edition)

Congratulations!

ICIS 4th and 5th grade students recently participated in a drawing and coloring contest sponsored by Downtown Indy's Circle of Lights. We are thrilled to announce that one of our 5th grade students was chosen as one of the 5 winners in this statewide contest. That student is Rhiannon Cravens! (Special thanks to Mrs. Lehman for providing this exciting opportunity for our students in art class.)

Rhiannon's artwork was chosen from well over 1,000 entries submitted from all over the state. As a winner, Rhiannon will receive a check for \$529 to be deposited into a College Choice 529 Direct Savings Plan plus she will also receive additional gifts courtesy of several Circle of Lights sponsors.

Along with the other 4 winners, Rhiannon appeared on stage on Friday, November 23rd at Monument Circle as the Circle of Lights celebration started with the lighting of the tree.

Congratulations to Rhiannon on a job well done and receiving this very prestigious award!
