

Indian Creek Intermediate School #FollowYourArrow

JAN 2019

@INDIANCREEKINT

@INDIANCREEKINT

Welcome back! hope you all had a wonderful break with the opportunity to relax and spend time with family and friends!

Thank you to everyone for the wonderful contributions to our annual canned food drive! We are tremendously thankful for your support and excited to support our local community with **4,599 items!** Our items benefited the NHJ Food Pantry, the Lord's Locker, and the county Good Cheer Baskets. Congratulations to the follow classrooms for collecting the most items for their respective grade level: Miss Surface, Mrs. Wiseman, and Mrs. Randolph! We celebrated with a pie in the face event prior to break, and the following students participated by having the greatest amount donated for their respective classroom:

3rd Grade:

Ankney - Viviann Abbott
Appleton - Austin Hadley
Piccione - Emmett Dickey
Rainwater - Elias Watson
Surface - Elise Giger
Tansy - Wyatt Bartle

4th Grade:

Griffis - Jack Sopko
Kyle - Krislynn Haley-Holzhauser
Peters - Alec Burress
Robertson - Garrett Carter
Wiseman - Aaron Hickson
Wray - Lucianna Oliver

5th Grade:

Knapp - Maggie Smith
Lower - Grant Dalton
Randolph - Cale Zimmerman
Wallace - Selena Felton

The ICIS Robotics Team competed for the first time this year on Saturday, December 15th, at Triton Middle School. Our 5th Grade team finished the competition in 4th place out of 46 teams! Our ICIS Robotics Team also brought home the Vex IQ Challenge Sportsmanship Award! Their next competition is scheduled for January 12th at Trinity Lutheran in Seymour.

The ICIS Science Bowl Team has been working extremely hard to prepare for their upcoming competition. Team members working with Mrs. Appleton include: Laila Bailey, Madi Bracken, AJ Emenhiser, Krislynn Haley-Holzhauser, Alaina Hughes, Molly Jordan, Lucianna Oliver, Londyn Porter, Robby Skaggs, Kristen Soots, and Nat Tames. The 2019 Science Bowl competition will take place on January 22nd, and the theme of this year's contest is physics/engineering with a focus on 6 different simple machines.

ICIS students will take the STAR Assessment for the third time, January 22nd - February 1st. This assessment will be an excellent opportunity for teachers to evaluate achievement and growth from first semester for individual students, as well as afford them the opportunity to plan appropriately for the remaining instructional time prior to IREAD-3 and ISTEP this spring. IREAD-3 dates for 3rd Grade have been confirmed for March 11-12th.

Wishing you well ~ Andrea L. Perry, Principal aperry@nhj.k12.in.us
