

# Indian Creek Intermediate School #FollowYourArrow

**FEB 2019**

@INDIANCREEKINT

@INDIANCREEKINT

Can you believe it is already February! Punxsutawney Phil Says 'Early Spring' which is good news for us! The 2018-2019 school year is going by so fast it seems! We are very proud of our intermediate students and the work they have completed on our recent eLearning days to continue learning and growing. Thank you parents and guardians for your extra efforts to encourage the momentum of learning at home during eLearning!

Our ICIS Robotics team is excited to host a VEX IQ Challenge - Elementary Robotics Tournament on Saturday, February 23rd at Indian Creek High School! This free event is a great opportunity to observe elementary robotics in action! Special thanks to Mrs. Ellis, Mrs. Rainwater, and Miss King for working so hard to pull this event together and encourage robotics for elementary students! Please see the flyer at right for more information. Note: ICIS Robotics will have two teams participating in this tournament.

ICIS students are currently on target for reaching our Reading Counts goal of 100,000 points! Thank you for encouraging more reading at home! Twenty minutes of reading each night makes such a huge difference! Currently, our students have accumulated 62,318 points! Keep up the great work! #todayareADERtomorrowaLEADER

Wishing you well ~ Andrea L. Perry, Principal
